

## 2026 Student Discount Terms and Conditions

This promotion is an initiative of Canon South Africa to promote the study of photography and is applicable only to Canon products purchased within the borders of South Africa through an authorised Canon photo dealer – please see list below. In order to obtain your discount, you are required to be a full-time student studying photography, graphic design, art, videography and digital marketing students through an official registered institution in South Africa.

Please take note this promotion is for **in-store purchases only**.

1. The Canon Student Discount promotion (“the Promotion”) is an ongoing promotion.
2. Only full-time students studying photography, graphic design, art, videography and digital marketing through an official registered institution in South Africa (“Eligible Students”) qualify to receive a discount.
3. Eligible Students will each receive a 10% discount on the invoiced purchase amount.
4. Eligible Students must submit a valid copy of his/her valid student card or proof of registration, and a copy of a valid South African ID.
5. It is the Eligible Student’s responsibility to submit complete and correct information in order to qualify for the discount.
6. Neither the discount nor part thereof can be transferred, refunded or redeemed for cash.
7. This promotion runs from 1 January 2025 to 31 December 2026.
8. This is applicable to hardware only, including the imagePROGRAF PRO-1100 and PRO-310 (excluding consumables).
