## imagePROGRAF TM-300\TM-305

# UNLEASH HIGH **QUALITY PRINTS** WITH THIS INNOVATIVE **36-INCH LARGE-FORMAT INKJET PRINTER**

TM-305

TM-300

- High precision printing for CAD and posters from Canon's unique 5-colour Lucia TD ink system
- A 6-channel 1.07-inch print head and optimised print processing increases productivity
- Small footprint and front usability allows the imagePROGRAF TM-300 and TM-305 to fit flat to the wall
- Smoother cutting, reduced vibrations and dampened fans have decreased the running noise by 60%
- Achieve higher density, clearer lines and text on uncoated paper with vivid colour expression, ideal for POS and posters.
- Non-stop printing is achievable during ink replacement featuring Canon's "Hot Swap" ink tank system
- Enjoy high productivity with the faster rendering process of HP-GL/2 by L-COA PRO
- With enhanced security large corporations and government environments can enjoy the imagePROGRAF TM-300 and TM-305
- Sustain long lasting outdoor display without lamination using Canon's unique Water Resistant Media.
- Direct Print & Share, PosterArtist Lite and Free Layout Plus support CAD and poster production

A 60% noise reduction and compact design, the imagePROGRAF TM-300 and TM-305 can fit into small office space. Even on plain paper, the full pigment Lucia TD ink prints precise lines, crisp text and vivid colour with enhanced water resistance.
