SECURITY

Canon

imageRUNNER 1600 Series

PRODUCTIVITY

- Fast, automatic double-sided printing that meets the requirements of demanding work environments
- Rapid one-pass duplex scanning helps speed up document digitisation
- Customisation of on-screen applications increases workflow efficiency
- Large paper input capacity of up to 2,300 sheets
- Multiple feeder with support for various media types and sizes allows for workflow matching personalised print needs

SECURITY

- Control access from device based or cloud based authentication options
- Secure Print enhances document confidentiality
- Ease set-up of organisational Security Policy via device's UI

- Encrypted PDF facility delivers high-level data protection while Device Signature PDF generates sender's certification
- Increase security further across your network with IPsec, Online Protocol Status check and TLS technology

MOBILE CONNECTIVITY

- Wi-Fi, QR code and Near Field Communication (NFC)* connection options for working from tablets and smartphones
- Remote user interface is mobile compatible with optimised display layout
- Support for Mopria, Apple Air Print, Google Cloud Print and Windows 10 Print
- Canon's PRINT Business app adds further functions to printing scanning from mobile devices

CONTROL AND MAINTENANCE

- Centrally manage all devices on the network with IW EMC/MC and other remote management options

- Compatibility with Canon's uniFLOW software solutions allows for tracking and reporting of print jobs
- e-Maintenance can improve uptime through remote diagnostics, automated meter readings and consumables monitoring

USER EXPERIENCE

- Intuitive operation via 5-inch/12.7cm TFT LCD touchscreen
- Application Library enables single-tap activation to print stored templates or scan documents to pre-set destinations
- Scan and convert documents into text searchable PDF files
- Easy replacement of all-in-one toner cartridge
- Compact design, allowing for optimal office arrangements
- Durable construction for assured quality and reliable performance
