

# HIGH QUALITY COLOUR LASER PRINTERS FOR SMALL AND MEDIUM BUSINESSES

**i-SENSYS LBP620 Series**  
Compact, ultra efficient,  
single-function colour laser  
printers that are simple to set  
up and operate

## Security as standard

The Canon i-SENSYS LBP620 Series addresses security concerns by including a PIN document release function which allows businesses greater control over confidential material.

## Mobile connectivity

Mobile connectivity is a must for small business owners and sole traders who need to be able to print no matter where they are. The Canon i-SENSYS LBP620 Series ensures printing is only ever a tap away via a versatile range of mobile connection options including AirPrint (Apple) and Mopria (Android) support. There is also a range of tools and options to enhance mobile printing available from the Canon PRINT Business app. In addition, the wireless direct connection (LBP623Cdw), which enables guests to print without the need for network access, provides even greater flexibility and agility, while addressing security concerns too.

**COMPACT**  
Space saving design

**FAST PRINT SPEED**  
21ppm single sided A4

**MOBILE PRINTING**  
From smartphones or  
tablets

**CONNECTIVITY**  
Wireless connection

**SECURITY**  
PIN document release

**PRODUCTIVITY**  
Automatic double-sided  
printing

## Productivity boosting print speeds

Canon's i-SENSYS LBP620 Series features an engine capable of delivering fast print speeds. The LBP623Cdw can output as many as 21 A4 prints per minute. Double-sided printing comes as standard on the LBP623Cdw model, offering enhanced levels of productivity.

## High quality performance

No matter what you are printing, whether a sales presentation or a small document for internal use, the i-SENSYS LBP620 Series ensures that your prints are always of the highest quality and boast colours that truly resonate thanks to improved toner cartridges.
