

CERTIFICATION EUROPE™

This is to certify that the

Information Security Management System

Of

Canon Europa N.V. European Information Security Department

At

Bovenkerkerweg 59-61, 1185 XB Amstelveen, The Netherlands

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO/IEC 27001:2022

This certificate is valid for the activities specified below:

Security Services across all of Canon's organizational units & businesses in the European, Middle East and African territories, including: Risk and Audit Management, Product Security, Vulnerability Management, Logging and Monitoring, Awareness and Training, Investigations and Forensics, Change Management and Security Incident Management.

Certification to the standard is made under the Statement of Applicability (version 30th of September 2023) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
To verify this certificate validity please contact us at info@certificationeurope.com

Date of Initial Certification: 1st February 2008

This Certificate is valid until: 1st February 2026
