This document is an agreement between the end user ("You") of the mobile PRINT & SCAN application (Licensed Application) and Canon Europa N.V, having its place of business at Bovenkerkseweg 59-61, 1185 XB Amstelveen, Netherlands ("Application Provider") (and/or its third party suppliers or subsidiary or affiliated companies).

BY INSTALLING OR USING THE LICENSED APPLICATION, YOU AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT. You further acknowledge and agree that Apple and Apple subsidiaries are third party beneficiaries of the EULA and that upon Your acceptance of the EULA, Apple will have the right (and will be deemed to have accepted the right) to enforce the EULA against You as a third party beneficiary. IF YOU DO NOT AGREE WITH THE TERMS OF THIS AGREEMENT PLEASE DO NOT INSTALL OR USE THE LICENSED APPLICATION.

The Licensed Application is licensed, not sold, to You for use only under the terms of this license, unless a separate agreement is entered into between You and the Application Provider, in which case the terms of that separate agreement will govern the use of the Licensed Application subject to Your prior acceptance of that separate agreement. The "Application Provider reserves all rights not expressly granted to You.

a. Scope of License: This license granted to You for the Licensed Application by Application Provider is limited to a non-transferable license to use the Licensed Application on any iPad, iPhone or iPod touch that You own or control and as permitted by the Usage Rules set forth in Section 9.b. of the App Store Terms and Conditions (the "Usage Rules"). This license does not allow You to use the Licensed Application on any iPad, iPod touch or iPhone that You do not own or control, and You may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense the Licensed Application. You may not copy (except as expressly permitted by this license and the Usage Rules), decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Licensed Application). Any attempt to do so is a violation of the rights of the Application Provider and its licensors. If You breach this restriction, You may be subject to prosecution and damages. The terms of the license will govern any upgrades provided by Application Provider that replace and/or supplement the original Licensed Application, unless such upgrade is accompanied by a separate license in which case the terms of that license will prevail.

b. Consent to Use of Data: You agree that Application Provider may collect and use technical data and related information, including but not limited to technical information about Your device, system and application software, and peripherals, that is gathered periodically to facilitate the provision of software updates, product support and other services to You (if any) related to the Licensed Application. Application Provider may use this information, as long as it is in a form that does not personally identify You, to improve its products or to provide services or technologies to You.

c. Termination: The license is effective until terminated by You by removing or un-installing the Licensed Application or terminated by the Application Provider. Your rights under this license will terminate automatically without notice from the Application Provider if You fail to comply with any term(s) of this license. Upon termination of the license, You shall cease all use of the Licensed Application, and destroy all copies, full or partial, of the Licensed Application.

d. Services; Third Party Materials. The Licensed Application may enable access to Application Provider's and third party services and web sites (collectively and individually, "Services"). Use of the Services may require Internet access and be subject to additional terms of service.

You understand that by using any of the Services, You may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, You agree to use the Services at Your sole risk and that the Application Provider shall not have any liability to You. Certain Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the Services, You acknowledge and agree that the Application Provider is not responsible for examining or evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. The Application Provider does not warrant or endorse and does not assume and will not have any liability or responsibility to You or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to You. Financial information displayed by any Services is for general informational purposes only and is not intended to be relied upon as investment advice. Before executing any securities transaction based upon information obtained through the Services, You should consult with a financial professional. Location data provided by any Services is for basic navigational purposes only and is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate or incomplete location data may lead to death, personal injury, property or environmental damage. Neither the Application Provider, nor any of its content providers, guarantees the availability, accuracy, completeness, reliability, or timeliness of stock information or location data displayed by any Services.

You agree that Services contain proprietary content, information and material that is protected by applicable intellectual property rights and other laws, including but not limited to copyright, and that You will not use such proprietary content, information or materials in any way whatsoever except for permitted use of the Services. No portion of the Services may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the Services, in any manner, and You shall not exploit the Services in any unauthorized way whatsoever, including but not limited to, by trespass or burdening network capacity.

You further agree not to use the Services in any manner to harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that the Application Provider is not in any way responsible for any such use by You, nor for any harassing, threatening, defamatory, offensive or illegal messages or transmissions that You may receive as a result of using any of the Services.

In addition, third party Services and Third Party Materials that may be accessed from, displayed on or linked to from the iPad, iPhone or iPod touch are not available in all languages or in all countries. The Application Provider makes no representation that such Services and Third Party Materials are appropriate or available for use in any particular location. To the extent You choose to access such Services or Third Party Materials, You do so at Your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws. The Application Provider, and its licensors, reserve the right to change, suspend, remove, or disable access to any Services at any time without notice. In no event will the Application Provider be liable for the removal of or disabling of access to any such Services. The Application Provider may also impose limits on the use of or access to certain Services, in any case and without notice or liability.
