Canon
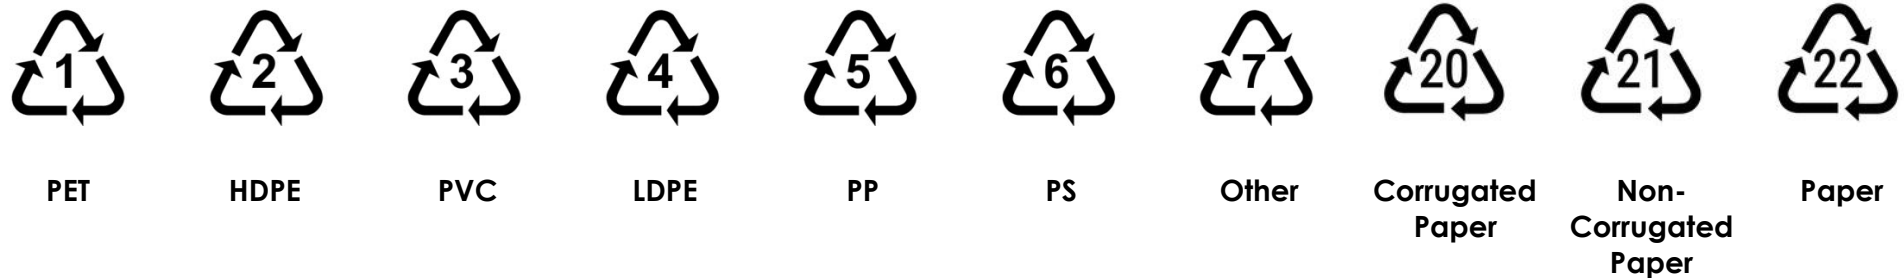

Thank you for your interest and choosing to recycle the packaging of your Canon product.

Canon products use the below types of packaging.

| PET | HDPE | PVC | LDPE | PP | PS | Other | Corrugated Paper | Non-Corrugated Paper | Paper |

Common packaging items

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box – Multi-function devices	Paper	Corrugated Paper	PAP20	Paper recycling
Main Display Box – others	Paper	Non-corrugated Paper	PAP21	Paper recycling
Main Display Box – Ink Consumables (Blister)	Plastic	Polyethylene terephthalate	PET1	Plastic recycling
Internal Packaging Case/Tray	Plastic	Polypropylene	PP5	Plastic recycling

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Packaging Film	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Shrink film	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Plastic cable tie	Composite	Polyvinyl Chloride & Metal	C90	Not recyclable

The above table is an overview of packaging components used in Canon devices and are all considered widely recyclable. Please ensure to check with your local municipality first. For a breakdown by product category, please see below.

Canon

Laser Printers – Office & Home use

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box	Paper	Corrugated Paper	PAP20	Paper recycling
Internal Placement pad	Plastic	Expanded Polystyrene	PS6	Plastic recycling
Internal Packaging Tape	Plastic	Polyethylene terephthalate	PET1	Plastic recycling
Box Sealing tape	Plastic	Polypropylene	PP5	Plastic recycling
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Packaging Film	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Shrink film	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Plastic cable tie	Plastic	Polyvinyl Chloride & Metal	C90	Not recyclable

Inkjet Printers

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box	Paper	Corrugated Paper	PAP20	Paper recycling
Internal Packaging Case/Tray	Plastic	Polypropylene	PP5	Plastic recycling
Internal Placement pad	Plastic	Expanded Polystyrene	PS6	Plastic recycling
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Plastic cable tie	Plastic	Polyvinyl Chloride & Metal	C90	Not recyclable

Canon

Inks, Toner, Batteries and other consumables

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box	Paper	Corrugated Paper	PAP20	Paper recycling
Main Display Box – others	Paper	Non-corrugated Paper	PAP21	Paper recycling
Main Display Box (Blister)	Plastic	Polyethylene terephthalate	PET1	Plastic recycling
Internal packing bag	Plastic	Polypropylene	PP5	Plastic recycling
Internal Placement pad	Plastic	Expanded Polystyrene	PS6	Plastic recycling
Tape	Plastic	Polypropylene	PP5	Plastic recycling
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling

Canon

Cameras, Projectors, Photo Printers & other recording equipment

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box	Paper	Corrugated Paper	PAP20	Paper recycling
Internal Case/Tray	Plastic	Polypropylene	PP5	Plastic recycling
Insert/Divider	Paper	Corrugated Paper	PAP20	Paper recycling
Internal Placement pad	Plastic	Expanded Polystyrene	PS6	Plastic recycling
Seal tape	Plastic	Polypropylene	PP5	Plastic recycling
Seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Packaging Film	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling

Scanners

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box	Paper	Corrugated Paper	PAP20	Paper recycling
Internal Packaging Case/Tray	Plastic	Polypropylene	PP5	Plastic recycling
Internal Placement pad	Plastic	Expanded Polystyrene	PS6	Plastic recycling
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Packaging Film	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling

Small office products – Calculators, Presenters, and other small office accessories

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC	Recycling information
Main Display Box	Paper	Corrugated Paper	PAP20	Paper recycling
Blister Packaging cover	Plastic	PET	PET1	Plastic recycling
Blister Packaging card	Paper	Corrugated Paper	PAP20	Paper recycling
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4	Plastic recycling
Wrapping paper	Paper	Corrugated Paper	PAP20	Paper recycling

Transport & delivery packaging

Packaging element	Material	Material type	Coding as per Commission Decision 97/129 / EC
Main Display Box	Paper	Corrugated Paper	PAP20
Internal Packaging Case/Tray	Plastic	Polypropylene	PP5
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4
Internal Placement pad	Plastic	Expanded Polystyrene	PS6
Packaging Film	Plastic	Low Density Polyethylene	LDPE4
Shrink film	Plastic	Low Density Polyethylene	LDPE4
Seal tape, seal bag, air cushion bag	Plastic	Low Density Polyethylene	LDPE4
Transport Container	Wood	Wood	FOR 50
Pallet	Wood	Wood	FOR 50
