

Canon CONSUMABLES RECONDITIONING – A CLEAN AFFAIR

Take advantage of our proper disposal service for your printer consumables.

We offer to collect your used printer consumables from you and dispose of them professionally.

Depending on how many toner cartridges your company produces, you can choose between four sizes of 'red box'.

To be able to use this certified disposal service, you must register on the website

canon.de/business/insights/articles/elektrogesetz/verbrauchsmaterial-fachgerecht-entsorgen

Once you have successfully registered, you can order the 'Red Boxes' via the service portal and arrange for them to be collected.

If you have any questions, we will be happy to help.
