## tips and tricks

1. 

### Stay up to date with the latest news

Get the good stuff straight from the source. News, marketing, and sales resources for our biggest products, services, and solutions – right here in your feed.

2. 

### Suss out the competition

Save yourself the detective work. Your biggest competitors, their moves and their marketing – you'll find it all in our Competition Hub.

3. 

### Learn and develop your skills

Run rings round the competition. Get the training you need to get ahead in your organisation and your industry – tailored to your job role and level of accreditation.

4. 

### Progress with your Partner Programme

Keep up the good work. Everything you need to track your progress and plan your next move, from our values to your goals... It's all here in a dedicated dashboard.

# ITCHY FINGERS?

If you're ready to get started with our Partner Programme, contact your account manager. They'll be happy to get hands-on.

Or, visit the Canon Partner Portal to explore our range of resources.
