CONSUMABLES RECONDITIONING – A CLEAN AFFAIR

verbrauchsmaterial-fachgerecht-entsorgen

Take advantage of our certified recycling service for your toner cartridges and containers.

We offer to collect your Canon consumables from your premises and dispose of them properly.

Depending on how much consumable material your company generates, you can choose between **four sizes of boxes.**

For more information about our certified recycling service, please visit the following website:

canon.de/business/insights/articles/elektrogesetz/verbrauchsmaterial-fachgerecht-entsorgen

If you have any questions, we will be happy to help.
e-mail: takeback-service@canon.de
