

FLAT RATE CONTRACTS

**One Quarterly Fee. Everything Covered. Zero Hassle.
Device, Parts, Toner, Service - ALL included.**

Want predictable printing costs and smarter budgeting without any surprises?

Canon Flat Rate contracts allow you to take control of ALL your print costs with one fixed quarterly payment. Our Flat Rate offering includes the device and covers all your print requirements - no hidden fees and surprises. Enjoy the added efficiency of streamlined control across your entire print fleet, helping you manage devices more effectively and reduce administrative overhead.

INCLUDED WITH YOUR NEW CANON DEVICE

- Advance billing and payment by direct debit
- All service elements included:
 - Toner
 - Parts
 - Staples
 - Labour
 - Delivery

WHY CANON?

People

The right people with a common goal to enhance efficiency, unlock opportunity, and deliver trusted solutions through public sector frameworks.

Partnership

We begin by understanding your organisation's needs and work with you to find the right solutions, supported by nationally negotiated service level agreements.

Expertise

Our combined know-how helps you feel at ease every step of the way, supported by over 40 years of experience serving the UK public sector.

Canon

WHY FLAT RATE IS RIGHT FOR YOU

YOUR CHALLENGES

Uncertain budgets

Print volumes rise and fall, making spend hard to control

Unexpected costs

Consumables, maintenance and support often lead to overspending

Complicated invoicing

Multiple suppliers, multiple bills, hidden extras

Lengthy procurement

Traditional sourcing methods take time and resources

Sustainability targets

Pressures to cut waste and meet net zero commitments

OUR SOLUTION

Budget certainty

One predictable quarterly fee, no surprises

All-inclusive value

Service, consumables, and support available

Simple & transparent

One invoice, one supplier, one flat rate

Framework compatible

Procure quickly and compliantly through public sector frameworks

Sustainable by design

Bundled offerings include sustainable Canon devices, making it easier to order everything in one go - device, service, and support - without having to negotiate details.
