

# EFFORTLESS A3 SCANNING WITH IMPRESSIVE IMAGE QUALITY AND ECO-FRIENDLY DESIGN

 **imageFORMULA**  
Flatbed Scanner Unit 202

The Canon imageFORMULA Flatbed Scanner Unit 202 Accessory is designed to provide seamless scanning with our compatible ADF imageFORMULA scanners.

## FLATBED SCANNER 202

**BOOST PRODUCTIVITY**

**VERSATILE A3 SCANNING**

**IMPROVED FUNCTIONALITY**

**ENHANCE SUSTAINABILITY**

**USER FRIENDLY**

## BENEFITS

- Connect the flatbed scanner to a range of imageFORMULA devices and scan documents at speeds of up to 4.0 seconds. Combine both FSU and ADF scanned images and enjoy streamlined document management with consolidated scanned data output as a single comprehensive file
- Scan a wide range of A3-sized media including magazines, books and fragile documents in colour, grayscale, and black and white scanning modes
- With Advanced Text Enhancement and Active Threshold image processing functionality, the output now delivers enhanced image quality, ensuring clear crisp scans every time
- Embrace an environmentally friendly scanner that actively supports the achievement of Sustainable Development Goals. Uses 90% less plastic and experience minimal power consumption (15.7W when scanning and 1.9W during sleep mode)
- Increased user friendly capabilities with improved mechanisms allowing the cover to remain open at 60 degree angle

# TECHNICAL SPECIFICATIONS

PRODUCT SPECIFICATIONS	
Type	Flatbed Scanner
Scanning Sensor Unit	CIS
Optical Resolution	Up to 600dpi
Light Source	LED
Interface	USB: USB 3.2 Gen 1
Dimensions (WxDxH)	570x451x111mm
Weight	9.8kg
Power Consumption	Scanning: 15.7W or less   In sleep mode: 1.9W   Power off : 0.1W or less
Environmental Compliance	EPEAT, SGS ESG Certified, ISO Certified
SCANNING SPECIFICATIONS	
Black and White	4sec (200dpi, 300dpi) 9sec (600dpi)
Colour	4sec (200dpi) 5sec (300dpi) 11sec (600dpi)
Output Resolution	100/150/200/240/300/400/600/1200 dpi
Mode	Advanced Text Enhancement / Advanced Text Enhancement II / Active Threshold
DOCUMENT SPECIFICATIONS	
Width	Max 297mm
Length	Max 432mm
Long Document Mode	Yes
Business Card Scanning	Yes
Plastic Card Scanning	Yes
Passport Scanning	Yes
Paper Separation	Yes
