SUSTAINABILITY

Canon

imageRUNNER C3226i

PRODUCTIVITY

- Fast warm-up time starts print production more quickly
- Print a wide variety of media types and sizes, continuously in high-volume
- Personalise the user display configuration to enhance document processing efficiency
- Streamline document post-production with optional finishing options, including eco-staple, staple and punch

USER EXPERIENCE

- Easy to use 7-inch/17.8cm touchscreen provides excellent visibility and usability for intuitive handling
- Optimise print, copy, scan and send document workflows to one-touch operation
- Combine multiple settings into one button for super-fast document processing
- Repeat previous jobs at the touch of a button with Timeline setting history

SECURITY

- Protect data and documents with PDF encryption, Forced Hold print and user authentication
- Guard device systems from unknown threats with embedded McAfee Protected Control
- Safeguard your network and cloud with secure connections to external devices
- Streamline security management with SIEM support, audit logs and auto certificate update

CLOUD CONNECTIVITY

- Save scanned documents to your email or Google Drive/Google Workspace using personalised workflows with uniFLOW Online Express
- File Assist automatically names, sorts and create a folder structure for files
- Print wirelessly from mobile devices, with support for Apple AirPrint and Mopria
- Add extra functionality to mobile printing and scanning with Canon's PRINT Business app

CONTROL AND MAINTENANCE

- Reduce administrative burden with remote diagnostics, automated meter readings and consumables monitoring
- Automatic firmware updates keep devices up to date with the latest features
- Limit private use and paper waste, plus centrally manage user login information, with batch management

SUSTAINABILITY

- Edit print settings at device-level to reduce paper and toner wastage
- Converting document to digital files minimises paper usage
- Eco-stapling option allows for further reduction of consumables
- Energy saving features, such as Sleep Mode help to decrease power consumption

QUICK FACTS

- Print, Copy, Scan and Send
- 7-inch/17.8cm WVGA colour touchscreen
- One-touch operation with Timeline and Shared/Personal buttons
- Print speed of up to 26ppm
- Support for a wide range of media types and sizes
- uniFLOW Online Express* cloud-based print management solution
- Automatic file naming, sorting and folder structure with Filing Assist**
- Document, device and network security from McAfee Protected Control, TLS1.3 and SIEM support
- Easy maintenance with automatic firmware updates
- Finishing options include eco staple, staple and punch
