Canon

imageRUNNER 2224 Series

PRODUCTIVITY

- Fast print output of 24ppm and scan speed of up to 35ipm
- Reliable paper feed and output for optimum performance in most demanding office environment
- Low melting point toner prevents moisture absorbing paper curling by lowering fixing temperature
- Support for wide range of paper media and sizes catering for all your printing needs
- High volume paper input of up to 600 sheets allows for continuity of large print jobs

SUSTAINABILITY

- Low TEC (Typical Electrical Consumption) reduces energy use and lowers running costs
- Sleep mode further lowers down energy consumption
- Duplex printing reduces paper wastage

USER EXPERIENCE

- Revised and repositioned display panel for optimum ease of use
- Compact size and flexible configuration allow for easy integration in any office environment
- Enhanced resolution of up to 1,200 x 1,200 dpi for an outstanding quality output
- Copy both sides of ID or multiple passport images into one page

CONNECTIVITY

- The networked devices allow for a seamless office integration with the rest of the fleet
- Wi-Fi direct connectivity allows for easy pairing with mobile devices
- Print from anywhere thanks to support for Universal Print by Microsoft as standard
- Print and scan from mobile devices thanks to compatibility with Mopria, Apple Air Print and Canon PRINT Business apps

SECURITY

- Network protection with TLS v 1.3 and SHA2 for SNMPv3 authentication support
- Device protection with tamper detection and automatic system recovery thanks to Verify System at Start-up
- Encrypted eMMC safeguards device stored sensitive information
- Secure print function prevents unauthorised viewing of printed documents
- IEEE 802.1X is used for port-based network access and Wi-Fi

CONTROL AND MAINTENANCE

- User authentication and function restriction options for a complete control over devices usage
- SCEP (Simple Certificate Enrolment Protocol) ensures automatic certificated rollover for a complete piece-of-mind
- e-Maintenance provides a remote diagnostic, automated meter readings and consumables monitoring
- Easy self-maintenance of the consumable parts reduces costs and improves devices up-time

Features and functionalities may not be available on all of the devices in the series. Please check Canon web pages or consult your sales representative for more info.

QUICK FACTS

imageRUNNER 2224iF

- Print, Copy, Scan, Send and Fax
- 8.9 cm/3.5 inch touchscreen
- Print/Scan Speed: 24ppm/35ipm (A4)
- Standard double-sided printing
- DADF standard
- Network, Wi-Fi, USB and Universal Print by Microsoft connectivity
- Secure print, Verify System at Start-up, TLS 1.3, Encrypted eMMC
- Max paper input capacity: 600 sheets

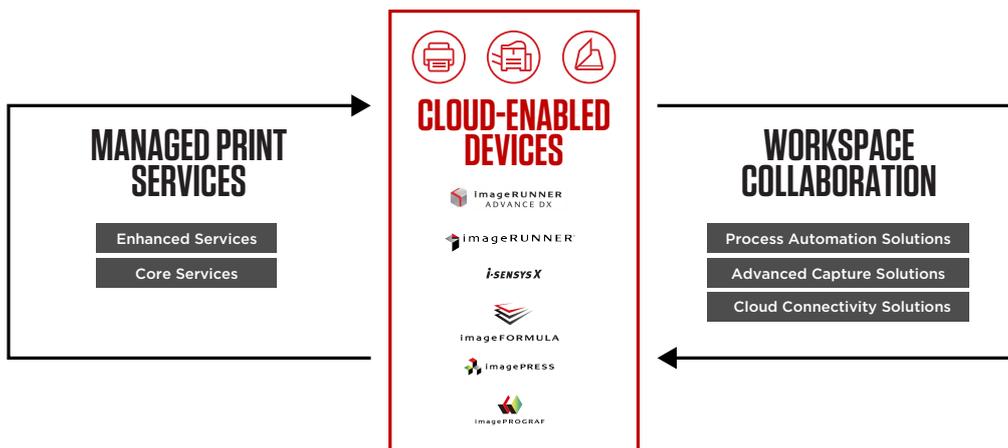

imageRUNNER 2224N

- Print, Copy, Scan and optional Send
- 8.9 cm/3.5 inch touchscreen
- Print/Scan Speed: 24ppm/35ipm (A4)
- Optional double-sided printing
- Platen cover standard, DADF optional
- Network, Wi-Fi, USB and Universal Print by Microsoft connectivity
- Secure print, Verify System at Start-up, TLS 1.3, Encrypted eMMC
- Max paper input capacity: 600 sheets

imageRUNNER 2224

- Print, Copy and Scan
- 8.9 cm/3.5 inch touchscreen
- Print Speed: 24ppm (A4)
- Platen cover standard
- USB connectivity
- Secure print, Verify System at Start-up, Encrypted eMMC
- Max paper input capacity: 600 sheets

TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

Canon's Digital Transformation Services (DTS), bring together our leading hardware and software into an integrated technology ecosystem, designed to support your transformation journey. This offering combines Managed Print Services and Workspace Collaboration solutions, to help you gain transparency and control over the entire document lifecycle.
