BENEFITS

- imageRUNNER ADVANCE ES II range - brings together award-winning technologies and renewable materials to improve devices longevity and dramatically reduce environmental impact.
- Meeting high standards for quality and output at every step, the imageRUNNER ADVANCE 4500 ES II Series is designed to decrease resource consumption without compromising on business productivity, efficiency and security.
- 10.1" intuitive touchscreen with smartphone-like usability, tailored to individual user's needs. Support for hybrid working and printing from mobile devices.
- Designed to seamlessly integrate into hybrid working environments with support for cloud connectivity, centralised print management and remote diagnostics.

SUSTAINABILITY

PRODUCTIVITY

USER EXPERIENCE

CLOUD CONNECTIVITY

imageRUNNER ADVANCE 4500 ES II Series

SUSTAINABILITY

- Remanufactured from minimum of 90% renewed materials to minimise impact on the environment in production
- Innovative features, such as low-melting-point toner help lower energy consumption, which can be as much as only 0.9W in sleep mode
- Editable print settings at device-level help to reduce paper and toner wastage
- Minimise waste with default 2-sided printing, secure printing, and the ability to hold print jobs, preview them and change print settings at the device, achieving the desired results at the first time of printing

PRODUCTIVITY

- Print documents quickly with fast print speeds of up to 45ppm (imageRUNNER Advance 4545i ES II) / 25ppm (imageRUNNER Advance 4525i ES II).
- Scan at speeds of up to 70ipm
- Automatically remove blank pages when scanning
- Enable flexible hybrid working and minimise device interaction with continuous user experience through the Canon PRINT app
- Print a range of media including thin paper, envelopes and coated paper
- Meet large printing demands with high-capacity paper input. (2,285 sheets for imageRUNNER ADVANCE 4545i ES II / 1,185 sheets for imageRUNNER ADVANCE 4525i ES II)

USER EXPERIENCE

- 10.1" intuitive touchscreen with smartphone-like usability, tailored to individual user's needs
- Simplify print processes with personalised one-touch utilising integrated job workflows
- Support hybrid working and remote workforce collaboration with advanced mobile solutions and easy integration with cloud services
- Enable easy guest printing with Direct Wi-Fi Connection
- Quiet operation minimises office environment interruptions

CLOUD CONNECTIVITY

- Compatible with optional uniFLOW Online for centralized device management, secure user authentication, full reporting and authentication.
- Access and print documents via mobile applications such as AirPrint and Mopria
- Accelerate your document digitisation with automated workflows connected to solutions such as OneDrive, SharePoint, Concur, DropBox and Microsoft Teams (requires optional uniFLOW Online)

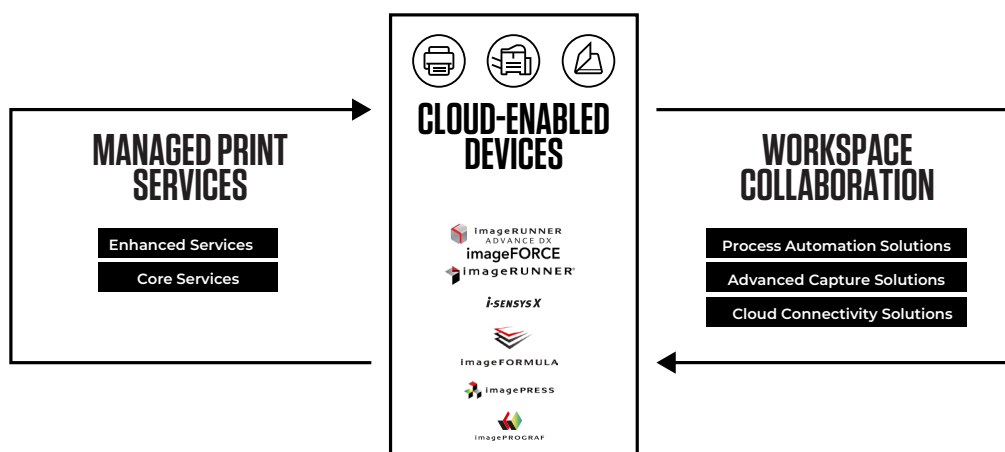

SECURITY

- Your documents, devices and network are protected with 360-degree security
- Device based or cloud based user authentication helps control access to confidential information
- Secure Print and Mail Box Password protection, plus data encryption further enhance document confidentiality
- Security policy settings can be configured and controlled from a central location, and exported to other supported devices
- Mitigate the risk associated with the governance of sensitive information and data privacy with Data Loss Prevention and auditing of all functions through optional uniFLOW Online
- IPsec, port filtering capabilities, and SSL technology helps protect your network and all the connected devices

QUICK FACTS

- **Type:** A3 Black & White Multifunctional
- **Control panel:** 10.1" TFT LCD WSVGA Colour Flat panel
- **Storage:** 250GB HDD
- **imageRUNNER Advance 4525i ES II 25ppm (A4)**
- **imageRUNNER Advance 4545i ES II 45ppm (A4)**
- **Scan speed:** 70ipm (A4)
- **Print Resolution:** 1200 x 1200 dpi
- **Mobile and cloud printing:** AirPrint, Mopria, Canon PRINT App and optional uniFLOW Online
- **Connectivity:** Network, Wi-Fi, USB and QR Code
- **Security:** Encrypted Secure Print, Hard Disc & Mail Box Password Protection, TLS 1.3
- **Paper Input Capacity (Std):**
2,285 sheets for imageRUNNER ADVANCE 4545i ES II
1,185 sheets for imageRUNNER ADVANCE 4525i ES II

TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

Canon's Digital Transformation Services (DTS), bring together our leading hardware and software into an integrated technology ecosystem, designed to support your transformation journey. This offering combines Managed Print Services and Workspace Collaboration solutions, to help you gain transparency and control over the entire document lifecycle.
