

imageRUNNER ADVANCE DX 6980i

CONNECT SECURELY, TRANSFORM DIGITALLY

INNOVATIVE SCAN TECHNOLOGY AND SMART SOFTWARE WORK HAND-IN-HAND

The future of business is digital. Canon imageRUNNER ADVANCE DX is a new generation of smart multifunction devices, designed to support and accelerate every step of your digital transformation. Built with Canon's imageRUNNER ADVANCE DNA, state-of-the-art technology and software work hand-in-hand to digitise, automate and optimise content-centric workflows.

Canon's imageRUNNER ADVANCE DX 6980i offers a smart and secure A3 mono multifunction device enabling dynamic, digitised workflows for fast, high-quality, document production without compromising on security. New scanning technology ensures high-speed and pinpoint accuracy, while uniFLOW Online Express – which comes as standard – delivers cloud connectivity and basic print management.

CLOUD CONNECTIVITY

- Cloud-based software-as-standard uniFLOW Online Express (uFOE) offers a single integrated solution to increase device security and simplify print management
- Securely scan and print documents from anywhere, with enhanced cloud connectivity
- Re-usable print formats allow easy access to documents in the cloud
- Canon's MEAP platform optimises processes by integrating with document capture and output management solutions such as uniFLOW Online*
- Device offers native applications such as AirPrint, Mopria, Universal Print by Microsoft and Canon PRINT Business App

SECURITY

- Verify System at Start-up supporting Platform Firmware Resiliency (NIST SP800-193) and Automatic Recovery, SIEM support and McAfee Embedded Control analyse the device in real-time to detect and prevent external attacks
- TPM 2.0 (Trusted Platform Module) comes as standard and securely stores encryption keys, such as passwords
- Set up device authentication, two-factor authentication and device function restrictions for

both device and cloud-based security measures

- Encrypted SSD storage extends data protection and is more resistant to vibration and shock for increased reliability
- Upgrade to uniFLOW Online* for enhanced secure printing, mobile printing, and guest printing from any device
- Data privacy across your network is ensured with IPsec, port filtering and TLS 1.3 & WPA3 support
- Step-up security further with easy-to-programme Security Navigator or let Canon's experts create best solution for your business environment

PRODUCTIVITY

- Print and scan up to 80 ppm and 270 ipm
- Automatically file documents with cloud-based Filing Assist from uniFLOW Online*
- Alleviate concerns for physical device operation, without compromising user experience, by applying optional antimicrobial film to all common touch points
- Efficiently digitise documents with one-touch workflows and shortcut buttons on the Home screen
- Enable flexible hybrid working and minimise device interaction with continuous user experience through the Canon PRINT Business app
- Boost productivity with stapling of up to 50 sheets with the optional Instant Stapler accessory – small enough to fit on top of devices or desks, anywhere in the office, home or co-working space

SUSTAINABILITY

- Edit print settings at device-level for accurate scan output
- Reduced operation noise from soundproofing of the MFP exterior ensures quiet operation and prevents distraction in workspaces
- Eco Recovery mode decreases power consumption to save energy and lower running costs
- High-quality error-free scanning, including digital de-skewing and advanced stain resistant glass, cuts down wastage
- Eco stapling reduces staple costs and contributes to environmentally friendly document production and management
- Edit print settings at device-level to further reduce paper and toner wastage

SERVICEABILITY

- Save costs and increase device uptime with innovative enhancements to frequently replaced hardware components as part of our evolving imageRUNNER ADVANCE DX portfolio
- Reduce technician visits with quick, safe, and accurate user replacement of consumable parts
- Long-life parts reduce the frequency of replacement while screw-free fastenings allow parts to be replaced faster and more efficiently

*uniFLOW Online is available as a Device Based Cloud Subscription for Document Output and Capture Management. Based on business needs, users can upgrade to uniFLOW Online to unlock a range of advanced benefits, including: Increased security with user authentication methods. Personalised workflows to enhance productivity. Reduced wastage by releasing jobs at the device. An intuitive cloud dashboard to leverage real-time data. Greater control over access and usage to reduce print costs.

QUICK FACTS

- **Format:** Mono A3
- **Paper Supply Capacity (Max):** 7,700 sheets
- **Warm-up time:** 4 seconds or less
- **Finishing Capabilities:** Collate, Group, Offset, Staple, Saddle Stitch, Hole Punch, Eco Staple, Staple On Demand, Document Insertion, Z-fold, C-fold
- **Supported File Types:** PDF, EPS, TIFF, JPEG, and XPS

- **Print speed:** 80 ppm (A4)
- **Scan speed:** 270 ipm (A4)

- **Print Languages:** UFRII, PCL6, Adobe® PostScript 3™ (optional)

- **Print Resolution:** 1,200 x 1,200

- Enhanced cloud connectivity enables collaborative document access from anywhere with re-usable formats for easy handling
- Accurate, high-speed scanning is facilitated by Canon's innovative new paper feeding mechanism and stain-resistant glass
- Efficient workflow automation means documents are intuitively scanned, searched and stored with applications including OneDrive, SharePoint, Concur and Dropbox
- Verify System at Start-up, McAfee Embedded Control software, alongside other security features, offers complete peace of mind and 360° protection covering document, network and device
- Simplified print management is enabled with centrally-managed print settings and device usage analysis, provided through native uniFLOW Online Express (uFOE)
- Quiet ADF operation, low energy consumption and reduced emissions lower environmental impacts

TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

Canon's Digital Transformation Services (DTS), bring together our leading hardware and software into an integrated technology ecosystem, designed to support your transformation journey. This offering combines Managed Print Services and Workspace Collaboration solutions, to help you gain transparency and control over the entire document lifecycle.
