

## imageRUNNER ADVANCE DX C257/C357 Series

# CONNECT SECURELY, TRANSFORM DIGITALLY

INNOVATIVE SCAN TECHNOLOGY AND SMART SOFTWARE WORK HAND-IN-HAND

The future of business is digital. Canon imageRUNNER ADVANCE DX is a new generation of smart multifunction devices, designed to support and accelerate every step of your digital transformation. Built with Canon's imageRUNNER ADVANCE DNA, state-of-the-art technology and software work hand-in-hand to digitise, automate and optimise content-centric workflows.

Canon's imageRUNNER ADVANCE DX C257/C357 Series offers smart and secure A4 colour multifunction devices, maximising efficiency and providing 360° security for documents, devices and networks. A compact design delivers space-saving office flexibility and configurations without compromising on Canon's unique scanning technologies, which increase scan speed and accuracy for high-quality image processing. Native uniFLOW Online Express (uFOE) software harnesses the power of the cloud to centralise device management and enable cloud collaboration on documents.

# imageRUNNER ADVANCE DX C257/C357 Series

## CLOUD CONNECTIVITY

- Scan and print documents from any location with enhanced cloud connectivity, offered with re-usable print formats for ease of use
- Cloud-based software-as-standard uniFLOW Online Express offers a single integrated solution to device security and simplify print management
- Canon's MEAP platform optimises processes by integrating with document capture and output management solutions and various applications such as uniFLOW Online\*\*, AirPrint, Universal Print, Mopria, Google Cloud Print and Canon PRINT Business

## SECURITY

- Ensure information confidentiality and security across the network with IPsec and firewall functionality
- Set up device authentication, two-factor authentication and device function restrictions for both device and cloud-based security measures
- Encrypted PDF scanning ensures document security during scanning process

- Upgrade to uniFLOW Online\*\* for enhanced secure printing, mobile printing, and guest printing from any device
- Combination of Verify system at start up and McAfee Embedded Control Software ensures device functionality is never compromised by the tampering of firmware and applications, all in real-time

## PRODUCTIVITY

- Fast, high-quality scanning at 190 ipm (A4) with expansive connectivity options
- Automated scan, store and search workflows boost efficiency and reduce human error
- Device management tools such as iWEMC provide centralised control over the device fleet and print management
- Automatic removal of blank pages when scanning minimises process time
- Reusable formats, automatic file names from barcode data, Office format conversions, and cloud and device OCR with IRIS enable easy handling and fast document processing

## SUSTAINABILITY

- Edit print settings at device-level for accurate scan output
- Quiet operation and reduced paper hitting sounds during scanning is enabled thanks to technologies such as digital registration and a smooth ADF internal structure
- Automated and digitised processes minimise paper usage for a paperless office
- Reduce waste with high-quality scanning, including digital deskewing and advanced stain-resistant glass

## COMPACT DESIGN

- Design versatility ensures seamless fit into any office size or layout, with desktop or floor-standing configuration
- No need for additional protruding attachments – security functionality, such as IC Card reader for user authentication, is built in to the ADF\*\*
- Compact design is perfect for Human Resource departments, governmental bodies, hospitals and medical centres, legal firms and solicitors' offices, and real estate agencies.

\*\*uniFLOW Online is available as a Device Based Cloud Subscription for Document Output and Capture Management. Based on business needs, users can upgrade to uniFLOW Online to unlock a range of advanced benefits, including: Increased security with user authentication methods. Personalised workflows to enhance productivity. Reduced wastage by releasing jobs at the device. An intuitive cloud dashboard to leverage real-time data. Greater control over access and usage to reduce print costs.

\*\*\*C357P Printer model requires optional IC Card Reader unit

NOTE – Certain features are only enabled with the combination of IR ADV DX and uniFLOW Online

## QUICK FACTS

• **Format:** Colour A4

• **Paper Supply Capacity (Max):** 2,300 sheets

• **Warm-up time:** 4 seconds or less

• **Finishing Capabilities:** Collate, Group, Offset\*, Staple\* (\*only with optional Finisher)

• **Supported File Types:** PDF, EPS, TIFF, JPEG, and XPS

• **Print speed:** 25-35 ppm (A4)

• **Scan speed:** 190 ipm (A4)

• **Print Languages:** UFR II, PCL6, Adobe® PostScript 3™

• **Print Resolution:** 600 x 600 to 1,200 x 1,200 (equivalent)

- Enhanced cloud connectivity enables collaborative document access from anywhere, with re-usable formats for easy handling
- Accurate, high-speed scanning is facilitated by Canon's innovative new paper feeding mechanism and stain-resistant glass
- Efficient workflow automation means documents are intuitively scanned, searched and stored with applications including OneDrive, SharePoint, Concur and Dropbox
- McAfee Embedded Control software alongside other security features offer complete peace of mind and a 360° protection covering document, network and device
- Simplified print management is enabled with centrally-managed print settings and device usage analysis, provided through native uniFLOW Online Express (uFOE)
- Quiet ADF operation, low energy consumption and reduced emissions lower environmental impacts
- Seamlessly integrate into all-sized offices with the space-saving design choice of a desktop or floor-standing unit

## TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

### CORE

Perform routine office operations safely and with ease, with minimum hardware, embedded software including uFOE and services offering complete device maintenance and support.

### HARDWARE

### SERVICES

### SOFTWARE

### BESPOKE

Choose tailored solutions for any business need by removing print management burdens. Consult with Canon experts to manage your extensive requirements, with bespoke solutions and Managed Services options.

### ENHANCED

Boost performance with enhancements such as finishing options and security add-ons e.g. Data Removal Service. Choose solutions to expand cloud capabilities with uniFLOW Online including advanced scanning directly with your Google account.
