Productivity

Optimised to deliver highly accurate but speedy printing. In spite of the compact yet robust and stylish design, they are capable of printing up to 28 pages per minute. Scan speeds are also impressive, with colour single sided output of 15ipm

Efficiency

Sometimes installing print cartridges can be messy and time-consuming. Not with the MF260 II series, as they boast Canon's Genuine Cartridge and Auto Seal Removal technology. This automatically jettisons the seal when installing a new cartridge, reducing waste and saving time

Security

Verify system at start up protects the device from tampering and unauthorised access. The network is protected with the latest encryption software. And a new security settings guide lets you quickly identify the best setting for you

Connectivity

Works wirelessly with tablets and smartphones. These printers now also has native support for Microsoft Universal Print for easy cloud-based print management

Sustainability

Canon's cartridge recycling programme provides a free, easy and environmentally responsible way to recycle your empty Canon cartridges
